Notes

- This pattern is worked from the bottom up, row by row with a turn at the beginning of the rows.
- Begin with a ch 31 in color A, turn, and start in the 2nd ch from the hook. Each row begins with a "ch 1, turn" and all st counts are 30 sc.
- The ch 1 at the beginning of the rows **does not count** as a stitch.
- This whole pattern is worked in sc, so the instructions will only tell you the number and the color; ie: "20" highlighted in red means sc 20 times in your red color.
- This pattern doesn't require you to carry the yarn, just use bobbins where necessary and change colors on the last pull through of the sc.
- Blocking is suggested for this pattern.
- In the photos: Color A is tan, color B is red, and color C is black. Stash yarn was used.
