Notes

- This mug rug is worked from the bottom up in rows, with a ch and turn at the beginning of the row.
- Begin with a ch 22 in color A, turn, and start in the 2nd ch from the hook. Each row begins with a "ch 1, turn" and all st counts are 21 sc.
- The ch 1 at the beginning of the rows does not count as a stitch.
- Blocking is suggested for this pattern.
- The odd rows are the right side.
- This whole pattern is worked in sc, so the instructions will only tell you the number and the color; ie: "5" highlighted in red means sc 5 times in your red color.
- To conserve yarn, color A is not carried behind colors B – E; all colors are only used where they are called for.
- Color A is green (Brava Worsted in Avocado), color B is cream (Brava in Cream), color C is gray (Brava in Dove Heather), color D is red (Brava in Paprika), and color E is white (Brava in White).
