Notes

- This pattern is worked from the bottom up, row by row with a turn at the beginning of the row.
- The ch 1 at the beginning of the rows **does not count** as a stitch.
- This whole pattern is worked in sc, so the instructions will only tell you the number and the color; ie: "15" highlighted in blue means sc 15 times in your blue color.
- The graph for this project is on page 2. Rows 1 - 51 are shown with rows 52 - 72 being all color F.
- This pattern doesn't require you to carry the yarn, just use separate yarn pieces where necessary and change colors on the last pull through of the sc.
- Begin with a ch 49 in color A, turn, and start in the 2nd ch from the hook. Each row begins with a "ch 1, turn" and all st counts are 48 sc.
- This design was made using Brava Worsted by We Crochet - color A is green (Brava in Hunter), B is blue (Brava Worsted in Denim), color C is red orange (Brava in Paprika), color D is yellow (Brava in Caution), color E is orange (Brava in Orange), and color F cream (Brava in Custard).
